SELECTIONS TO BE PERFORMED

Include all appropriate information for each work listed: the title and number of each work and movement, tempo markings, the performance time for each work and each individual movement within works, the composer's full name (and arranger if applicable).

VOCALISTS must include the name of any identifying work from which a song is taken.

Attach to this application the title page and/or first page of the works listed. Be sure the printed title and composer name are shown.
